

## Graphic Design

One thing that sets Coastal Fog apart from our competition is our ability to successfully develop across many types of media.

Coastal Fog Productions is a complete resource for creative services, from web site design and interactive media production to print design and digital photography.

Coastal Fog designers have the experience, resources and dedication to make your every project a success.

Just a few of our graphic services include:

- Corporate Branding and Logo Development
- Print advertising
- Illustration
- CD and Cassette artwork
- Brochures
- Vehicle Graphics
- Digital photography and photo retouching
- Tradeshow graphics
- Kiosk design
