

# Photography

Coastal Fog Productions has a complete Digital Photography studio utilizing only highend Canon cameras and equipment and the very best in lighting provided by Elinchrom.

Everything from a simple headshot to more elaborate commercial setups can be done under just one roof.

Here is a brief sample of the type of Digital Photography we do:

- Personal and Professional Headshots and Portraits
  - Product
  - Food
  - Real Estate
  - Model
  - Events
  - Weddings
  - Corporate Banquets
- and much more...
